Every year the Muscular Dystrophy Association partners with the National Association of Letter Carriers (post offices) all over the state to raise money that helps provide services to families throughout Colorado. Together the NALC and the MDA organize many fundraising events throughout your community. By donating to MDA, you will not only reap the benefits of positive community exposure, but will also help bring MDA one step closer to a cure for Muscular Dystrophy. MDA provides a comprehensive program of services, including clinics at University Hospital and Children's Hospital, summer camp for kids ages 6-17, a loan closet with durable medical equipment, and nearly \$1 million in local funding for neuromuscular disease research. The more money that is raised during the event the more we can achieve our motto "help for today, hope for tomorrow".

As your total donation is tax deductible, please use the following MDA tax ID number for filing purposes: **13-1665552**. If you have any questions or need additional information, please do not hesitate to call us at (303) 691-3379. With the help of companies like yours, we will see our dream, to end neuromuscular diseases, become a reality.

The Muscular Dystrophy Association is a national voluntary health organization dedicated to finding treatments and cures for over 40 neuromuscular diseases. Beyond its worldwide research effort, MDA also provides a comprehensive patient and community services program. In addition MDA also sponsors clinics for children and adults, summer camps, support groups and genetic counseling. We depend upon the generosity of businesses and individuals in our community.

Thank you in advance for your support.

Sincerely,

Richard Byrne, President
